Rod Angel Printing Press, Lingayen, Pangasinan

2009–2010 | Printing Press Operator

- Operated and maintained printing press machinery to ensure consistent, high-quality output.
- Set up presses by installing plates, calibrating ink, adjusting pressure, and aligning paper to specifications.
- Managed inventory of paper and supplies to maintain uninterrupted production.
- Troubleshot equipment issues, including paper jams, to minimize operational downtime.
- Conducted preventive maintenance to optimize machine performance and reduce repair costs.
- Supported additional operational tasks and special projects as assigned.

SB South Internet Cafe, Lingayen, Pangasinan

2011–2012 | Computer Specialist

- Prepared and configured computers, including operating systems and software environments.
- Installed and optimized hardware components and peripherals.
- Designed and deployed complex wired and wireless networks, ensuring seamless connectivity.
- Executed routine and preventive maintenance to maximize system reliability.
- Maintained detailed logs of all IT operations and activities.

Key Achievements

- Redesigned and implemented an optimized network system, improving overall workstation performance.
- Resolved a critical software issue on a standalone PC, restoring full functionality.

RJ Internet Cafe, Lingayen, Pangasinan

2011–2012 | Computer Specialist, Manager

- Configured computers and installed operating systems, software, and hardware.
- Designed and deployed wired and wireless networks for seamless connectivity.
- Performed routine and preventive maintenance to ensure system reliability.
- Maintained accurate logs of all IT operations.

Key Achievements

- Optimized network system, boosting overall workstation performance.
- Resolved critical standalone PC software issues.
- Implemented centralized antivirus solution for LANs and WANs.
- Created a troubleshooting manual, enabling users to solve common PC issues independently.

KevPCsolutions

2014–Present | Freelance Integrator, Owner

As a freelance computer specialist and integrator, I have successfully designed, implemented, and maintained technology solutions for small businesses, schools, and churches. My work spans hardware procurement, network configuration, and multimedia system integration. Key responsibilities and accomplishments include:

- Designed and set up computer libraries and Internet cafes, ensuring optimal layout, connectivity, and performance.
- Managed procurement of hardware, software, and related equipment to meet project specifications while optimizing budget and quality.
- Installed and configured CCTV systems, providing comprehensive security solutions for offices, schools, and commercial spaces.
- Executed structured cabling and network projects for offices and educational institutions, ensuring reliable and scalable network infrastructures.
- Configured and maintained centralized networks for multiple offices, optimizing connectivity, security, and system performance.
- Set up livestream production rooms for churches and small content creators, integrating audio-visual, lighting, and broadcasting equipment for high-quality productions.
- Installed and configured professional audio systems for churches, enhancing worship experiences through clear and reliable sound.
- Oversaw all aspects of equipment sourcing, procurement, and deployment, ensuring timely project completion and client satisfaction.

Key Skills: Network Configuration, CCTV Installation, Audio-Visual Integration, Hardware Procurement, Structured Cabling, Livestream Production, Technical Project Management

Jesus Christ Saves Global Outreach

Web Designer, Admin Staff, Senior Pastor's Secretary, Multimedia Director, Chief of Staff, Dream Campsite Manager

Dates of Employment: 2015 – Present

- **Web Designer:** Maintained and enhanced the church's website and social media platforms, creating visually appealing and functional digital content that strengthened the organization's online presence and engagement.
- **Administrative Staff:** Oversaw the administrative office and coordinated church events. Assisted pastors in preparing presentations, ensuring smooth and professional delivery of Sunday sermons and special programs.
- **Senior Pastor's Secretary:** Provided executive support to Bishop Vicky Sebastian, managing schedules, event planning, and reminders. Coordinated with national pastors to ensure their pastoral work and logistical needs were fully supported, maintaining seamless organizational operations.
- **Camera Operator & Photographer:** Captured live events, sermons, and church activities with precision and creativity. Produced high-quality photographs and videos used for promotion, documentation, and digital media content.
- **Multimedia Director:** Led the media team, supervising camera operators, live stream productions, LED operators, and creative personnel. Managed all media equipment and technical operations, delivering high-quality visual and audio content for large-scale services and events.
- **Chief of Staff:** Directed staff operations for JCSGO, coordinating workloads, confirming schedules, managing leave requests, and serving as the primary liaison to ensure organizational efficiency and alignment with leadership objectives.
- **Dream Campsite Manager:** Oversaw all aspects of camp operations, including client bookings, staff supervision, marketing initiatives, promotions, and facility management. Ensured a safe, organized, and welcoming environment while maximizing client engagement and satisfaction.

Key Achievements:

- Successfully coordinated multi-site church events and national pastor engagements with precision and efficiency.
- Strengthened JCSGO's digital and multimedia presence, significantly enhancing audience reach and engagement.
- Streamlined organizational operations as Chief of Staff, improving staff productivity and workflow management.
- Elevated Dream Campsite's profile and operational effectiveness through strategic marketing, staff leadership, and hands-on management of facilities.
